The Dunes

A residential cluster designed for comfort and active everyday living. Surrounded by greenery, it features kids pools, kids clubs, jogging paths, and green walkways within a family and kids-friendly community. While offering a quieter, more private setting, Tilal Dunes remains closely connected to the wider community, ensuring easy access to shared spaces and amenitiesacross Tilal Binghatti.

The Oasis

Sits at the heart of the community, where central green parks flow through the core and connect directly to the beachfront and the community clubhouse. Set within a family and kids-friendly environment, it brings together open green spaces, leisure, and social experiences in one vibrant destination. Its central position connects all surrounding clusters, creating a shared space that brings the entire community together.

Tilal Islands

A private residential cluster shaped around flowing swimmable lakes, creating a distinctive waterfront setting within a family and kids-friendly community. Designed to bring water and greenery into everyday living, it offers a calm, nature-led lifestyle. Seamlessly connected to the surrounding neighbourhoods, Tilal Islands balances privacy with a strong sense of community living.
